

# Titanium Tubes

Chhaged Steel & Alloys are aggressively venturing into exporting of our products to various countries. Chhaged Steel & Alloy Pvt Ltd is one of the leading titanium tube suppliers. We offer a wide range of **titanium seamless pipes** and titanium welded pipes. It can be available in customized dimensions, sizes, & specifications. Titanium Welded Tubes is a strong metal with low density that is quite ductile especially in an oxygen-free environment and it is lustrous, and metallic-white in color. It is produced through roll forming strips or sheets into a tube shape and then welding it into seam longitudinally. It can be skilled either by hot forming and cold forming processes. As compared to hot forming, cold forming results in smoother finishes and tighter tolerances.

**Titanium Tube** is resistant to corrosion in sea water and chlorine. It is alloyed with iron, vanadium, aluminum, and molybdenum among other elements to produce strong, lightweight alloys for industrial purpose such as chemical, desalination plants, petrochemicals, paper and pulp. For aerospace purpose such as jet engines, spacecraft and missiles.

**Titanium Tubes, Titanium Welded Rectangular Tubes Manufacturers, Titanium Seamless Tube Suppliers, Titanium Marine Exhaust Tube Exporters Titanium Polished Decorative Tube Stockist.**

**Titanium Square Tube in India, Titanium Tubes Manufacturers in India, Titanium Rectangular Tube Suppliers in India, Titanium Hydraulic Tube Exporters in India, Titanium ERW Tubes Stockist in India.**
